measuring 15 feet(East to west) by 262 feet(North to South) is decided to be given over this ground for the use of the Roman Catholics, going to the Cemetry. The market value of the land including the building is estimated at Rs.2,500/-. The President of the Municipal Council suggests a reconsideration of the proposal to acquire the building in question on the following grounds:-

(i) that the road to the Cemetry will cut the ground into two leaving very little space for a public building,

(ii) that the site is unsuited for locating the Magistrate's Court as it is not in a central part of the town and

(iii) that by acquiring the building, Mr.Staggs,a retired Eurasian resident of the place will be inconvenienced. He suggests that new buildings be erected for the Magistrate's Court and the Munsiff's Court in the extension where the Taluk Cutcherry and the Government Boys' School are constructed and that the present Munsiff's Court be utilized for the Chikmagalur Revenue Sub Division Office. A copy of his letter No.H.C.23 dated the 20th July 1920 together with a copy of the sketch received with it, is herewith submitted for perusal.

3. I do not see much force in the grounds urged by Mr.Vasudeva Rao for a reconsideration of the proposal to acquire Mr.Stagg's bungalow. The suggestion made by him to construct new buildings in the extension, far away from the other public offices does not seem to be altogether acceptable. It is not likely to be found convenient to the public. I understand that the Public Works Department has under consideration the extension of the present District Office building to afford more room to the offices at present held in it and also to locate some other offices requiring accommodation. This is likely to involve less cost than the construction of new buildings as suggested by Mr.Vasudeva Rao.

4. P.T.O.

4. I am calling for a declaration statement for the acquisition of the private bungalow referred to and for information as to whether there is no other route for the Roman Catholics to go to the Cemetry and on receipt of information a further communication will be made.

5. As regards the removal of the Date Grove from the "Reserve List" and giving it over for cultivation, I would invite a kind reference to Government Order No.R.253-5/L.R.7-19-78 dated 6th July 1920 directing that Survey Numbers 39, 40 and 41 of Kothigere Becharak village, Kadur Taluk, be removed from the Reserve List and disposed of for cocoanut cultivation. I have written to the Sub Division Officer to dispose of the lands by public auction and report the result.

SIR,

Referring to para 3 of Government Order No. R.13741-4/Ft. 149-19-4 dated 15th June 1920, calling for a report from the Deputy Commissioner of Kadur, regarding the feasibility of acquiring the small private bungalow situated between the District Forest office building and the District Forest Officer's quarters and converting it into a suitable building for the permanent location of the Special Magistrate's court, I have the honor to forward herewith copy of Kadur Deputy Commissioner's letter No. J.C. 490/19-20 dated 30th October 1920, together with the declaration statements in English and Kanarese in duplicate for the acquisition of the said private building and a vacant site as per enclosed sketch at an estimated cost of Rs. 3,196/-.

2. When I was at Chikmagalur in December last I made enquiries about the immediate need for the proposed acquisition. I found that the Special Magistrate's court was located as a temporary measure in the new building recently constructed for the District Forest office, this office being continued to be held in the Sandal Koti building as hitherto. It seems to me that the existing arrangement may be continued for the present as the new District of Forest office building is quite suitable for the Court and there appears to be no particular urgency for shifting the District Forest office.

Re: the acquisition of a site for erecting a building for the perma-nent location of the Special Magis-trate's court at Chikmagalur.

Letter No. J. C.490/19-20 dated 30th October 1920 from the Deputy Commissioner, Kadur District, to the Revenue Commissic in Mysore, Bangalore.

In continuation of this office No. J. C.490 of 1919-20 of the 27th July 1820 stating that the declaration statement for the acquisition of the private building situated between the District Forest Officer's Quarters and the Sandal Koti required for locating the Special Magistrate's Court at Chikmagalur will be submitted on receipt of certain particulars called for from the President of the Municipal Council of Chikmagalur, I have the honour to forward herewith a declaration statement (in English and Kannada), for the acquisition of the private building and the vacant site, situated between the Forest Office and the Forest Officer's Quarters, and to state that the cost of acquisition of the property is estimated at Rs.3196/- by the Panchayetdars.

2. A sketch shewing the position of the properties proposed to be acquired is herewith submitted.. It will be seen therefrom that a road measuring 262' by 15' is to be given for the use of the Roman Catholic Church. The necessity for this road may be decided after the acquisition of the property.

3..It is proposed to acquire also another two buildings belonging to Mr. Chennabasappa Chetty (vide this office No.113 dated 29th October 1920). The site on which these buildings stand seems more suited for locating the Court than the one proposed. I am however in favour of the acquisition of all these sites and buildings.
